

**** SAVE THE DATE ****
2016 Magellan Meeting

Taos, New Mexico, USA

Hosts: Eric McCarty / Daniel Wascher

Sunday, July 3rd – Wednesday, July 6th

At El Monte Sagrado www.elmontesagrado.com

Plans are underway for our meeting to be held at the El Monte Sagrado in Taos, New Mexico, USA on Sun, July 3rd – Weds, July 6th, 2016.

This is a **CALL FOR ABSTRACTS**. We are now looking for abstracts for presentation at our meeting. We would like the abstract to be one page in length, camera ready.

When putting together your abstracts keep the following information in mind: The Magellan Society presentations are designed to stimulate discussion amongst the members. The presentations should be short (depending on the number of presentations in the program, about 5 or 6 minutes) and to the point. We encourage presentations of preliminary research.

As such, your abstract and presentation should not be the typical orthopedic meeting presentation. Be creative, be entertaining and stimulate lots of discussion from a very knowledgeable and energetic group!

Program chairs: Eric McCarty and Daniel Wascher.

*****Abstract deadline – September 1, 2015*****

Send your abstract to the email below:
