2018 Magellan Meeting
Saturday, April 28 – Tuesday, May 1, 2018
Glen Eagles, Scotland

Host: Rainer Siebold
Saturday, April 28 – Tuesday, May 1, 2018
At Glen Eagles www.gleneagles.com

This is a **CALL FOR ABSTRACTS**. We are now looking for abstracts for presentation at our 2018 meeting. We would like the abstract to be one page in length, camera ready.

When putting together your abstracts keep the following information in mind: The Magellan Society presentations are designed to stimulate discussion amongst the members. The presentations should be short (depending on the number of presentations in the program, about 5 or 6 minutes) and to the point. We encourage presentations of preliminary research.

As such, your abstract and presentation should not be the typical orthopedic meeting presentation. Be creative, be entertaining and stimulate lots of discussion from a very knowledgeable and energetic group!

*****Abstract deadline – September 1, 2017*****

Send your abstract to the email below:
